FOR BRITAIN MINI- MANIFESTO 2022

COVID-19

- No vaccine passports or mandatory vaccinations
- Hold an inquiry in to the damage caused by lockdowns and reduced NHS services
- Restore all NHS services, including face to face appointments
- Protect the jobs of those who express concerns about vaccination – end COVID censorship
- Re-employ care home staff who had been sacked because of vaccine requirements

NHS

- Audit the NHS – find out where our money is going
- End health tourism
- Scrap hospital parking charges
- Stop privatisation and prevent MPs profiting from NHS contracts
- Target waste – no more tax rises to increase funding

LAW & ORDER

- Scrap all 'hate' legislation and restore one law for all
- Significantly increase prison sentences for child sex abuse, rape, and other sexual offences
- Make it a criminal offence for police officers to 'take sides' at protests, marches or demonstrations
- Increase police numbers
- Abolish the degree requirement for police officers and end all political correctness and racial preferences in policing

GOVERNMENT

- Abolish postal voting in most circumstances
- Scrap the Human Rights Act and replace it with a legally supreme constitution guaranteeing the liberties and rights of all British citizens
- Restore all statues and street names recently destroyed or altered due to Black Lives Matter etc. Legislate to protect British history and heritage from left-wing attack
- End all anti-white hatred and discrimination in British society
- End the first-past-the-post voting system

IMMIGRATION

- Deport those who enter/have entered Britain illegally
- Freeze legal immigration for at least 5 years
- End the current asylum system
- Place the Royal Navy in the English Channel to prevent further illegal crossings and deport those who have taken this route to Britain
- Triple the size of the Border Force with a mandate to end all illegal immigration

ANIMAL WELFARE

- End all un-stunned slaughter without exception and reform the dairy industry
- Actively protect wildlife and sea-life
- Enforce strict criminal penalties for animal abuse
- Ban furrowing crates and glue traps and end all cruel forms of farming and pest control
- Stop testing on animals

MEDIA

- Oppose all attempts to shut down or censor independent blogging, sharing or exchange of information online
- Ensure the media reports accurate information on coronavirus and vaccination (as well as climate change and other contentious issues) and allows all voices to be heard
- Ensure political candidates are given equal ability to speak to the electorate and a right of reply to media coverage
- Reform defamation laws to make it easier for those smeared by the press to win compensation
- Oppose all social media bias

EDUCATION

- Introduce a new national curriculum that must be taught by all schools
- End political bias at schools – pupils must be taught objective truths
- End anti-British teaching and inform children of the positive contributions of our country
- Legally oblige universities to hire professors of all political viewpoints and end censorship on campus
- Open a grammar school in every town

ISLAM

- Close all sharia councils – restore one law for all
- Ban the burqa as a security threat
- End all police persecution of those who speak openly and truthfully about the teachings contained within Islamic scripture
- Support ex-Muslims and deport/jail those who threaten them
- Deport those who practice FGM, child marriage, or honour violence and prevent further immigration from societies where these are common

TRANSGENDERISM

- Stop male-to-female transsexuals competing in women's sports
- End all 'hate' speech and prevent police persecution of those who criticise transgenderism; legislate to protect the jobs of those who believe that men cannot become women and vice versa
- Stop male-to-female transsexuals from being housed in women's prisons (except in very limited circumstances and when male genitalia has been removed), as well as dressing rooms, domestic violence/rape crisis centres, and other spaces intended to be places of safety for women
- Stop self-identification being introduced to Britain
- Prohibit medical and surgical intervention, for the purpose of changing sex, to anyone below the age of 21

FAMILY LAW

- Introduce the legal assumption of shared parenting
- Introduce rights for grandparents
- Conduct a public inquiry into current injustices in the family law system with a view to a complete overhaul in favour of equal parenting rights
- Hold a public inquiry in to forced adoption and make whatever changes are necessary to hold the public sector to account on this matter and prevent further injustices
- Encourage the adoption of children in the UK, as opposed to children from other nations; there are many British children in need of homes, and For Britain will reward such adoption

HOUSING

- Legislate so that local people are prioritised in the provision of social housing
- Allow local people to vote in referenda regarding the construction of major developments (either housing or commercial) in their area
- Incentivise local government with greater financial freedom to facilitate the funding of local housing construction
- Allow local government to refuse asylum seekers in their area if they can show that local people are disadvantaged by this to such an extent that it would amount to the prioritisation of asylum seekers over British people
- Ensure that areas in which housing construction is to take place have the capacity to provide the required infrastructure for expansion

ECONOMY

- Levy personal tax (replacing income tax and NI) at a flat rate of 25% above the personal allowance, with no exemptions. This will save the economy many millions in tax simplification
- Scrap all climate change taxes, eliminating subsidies for wind turbines and solar panels and the taxes that have been imposed on all energy users to pay for them
- Scrap the TV licence. Fund the BBC by a voluntary subscription instead
- Help small businesses by reducing Business Rates by 50% on properties under £50,000 rateable value
- Abolish Inheritance Tax

DEFENCE & FOREIGN AFFAIRS

- Raise defence spending to 3% of GDP
- Withdraw from all agreements that commit the UK to being part of a combined EU military force
- End foreign aid except in emergencies
- Take all personnel on operational duty overseas out of Income Tax
- Vastly improve services to military veterans and ensure all are provided with job opportunities, homes, and appropriate medical and psychological care

ENERGY, AGRICULTURE & TRANSPORT

- Require the media and educational institutions to openly discuss climate change from all angles and to allow all sides of the debate to be heard
- Promote Stable Salt Reactors as our main source of energy; investigate all energy sources and do all possible to prevent energy cost increases End net
- zero aspirations and abandon unrealistic greenhouse gas emission reduction targets, while prioritising the implementation of practical solutions to make Britain's air, water, and land cleaner Incentivise the
- reduction of plastic in food packaging and Encourage citizens and businesses to reduce, reuse, and recycle waste
- Promote hybrid electric light vehicles to improve our air quality

WELFARE & PENSIONS

- Equalise the retirement age for men and women at 63
- Raise state pensions in line with other European countries
- Prevent means-testing of pensions
- Re-evaluate tax bands for retirees
- End all welfare to illegal immigrants
